BACK TO SCHOOL INFORMATION

DICKINSON INDEPENDENT SCHOOL DISTRICT

FIRST DAY OF SCHOOL IS

TUESDAY, AUGUST 22, 2017

Elementary and Middle School attendance zones slightly revised for 2017-2018

The Dickinson ISD Board of Trustees approved a few revisions to the elementary and middle school attendance zones for the 2017-2018 school year to accommodate the district's continually increasing student enrollment. Letters were sent home with elementary and middle school students affected by the changes. Student records will be sent to the new home campus automatically. Parents will still need to complete the yearly online registration process during August 1-15, 2017. If parents have questions about which school their child is zoned to attend for the 2017-2018 school year, they can input their address into an online database available on the Dickinson ISD website at www.dickinsonisd.org.

Elementary Attendance Boundaries

The district's newest elementary, Lobit Elementary, opened last August with almost 700 students, which is much more than originally anticipated, while Bay Colony Elementary is home to 768 students. Calder Road Elementary and Hughes Road Elementary were both in the mid-500's for student enrollment.

By making these elementary attendance zone changes, the attendance numbers should be more even among the elementary campuses and leave needed space at Lobit for students moving into new developments west of I-45. Two areas currently zoned to Lobit will be changing, including one area of homes along Calder Road, which will move back to Calder Road Elementary and another area of homes

east of I-45 near Mall of the Mainland, which will move back to Hughes Road Elementary. At Bay Colony Elementary, an area east of I-45 between FM 517 and Deats Road will be rezoned to Calder Road Elementary.

Middle School Attendance Boundaries

In order to balance student numbers and plan for future growth, the boundaries for Barber Middle School and Dunbar Middle School have been revised. There are no changes to the Lobit Middle School boundary. The 2016-2017 boundaries zoned half of the students from Silbernagel Elementary to Barber, while the other half attended Dunbar. The new 2017-2018 boundaries have all students zoned to Silbernagel attending Dunbar Middle School. Middle School boundaries are as follows.

- Barber Middle School - The majority of students from Hughes Road Elementary and San Leon Elementary, plus students attending the STEM Academy
- Dunbar Middle School - Students from Bay Colony Elementary, Silbernagel Elementary, K.E. Little Elementary and some San Leon Elementary students
- Lobit Middle School - Students from Lobit Elementary, Calder Road Elementary and some students from Hughes Road Elementary

Online Registration available for Returning Students

From August 1-15, 2017, Dickinson ISD parents will be able to take advantage of the district's online registration process for returning students. These are students who attend a Dickinson ISD campus at the end of the 2016-2017 school year and will be returning for the 2017-2018 school year.

A copy of proof of residency is still required to be dropped off at the campus; however, this can be done in August before school starts, without having to stand in a registration line.

The online registration process will be available through the school district website at www.dickinsonisd.org. The district will have complete instructions on the website this summer to walk parents through the steps they need to take.

In order to complete the online registration process, parents must have their login information (user name and password) for Skyward Family Access. **If a parent does not have login information, this can be obtained by showing proper identification in the front office at their child's school.** Please make sure you have obtained login information ahead of time so you are not delayed in registering your student online. For parents without access to the Internet, computers and assistance will be available at the campuses during designated times to complete the online registration process.

Parents of students new to Dickinson ISD for 2017-2018 must visit the campus their child will attend and complete the registration process in person as there is more paperwork involved.

³ Previous illness may be documented with a written statement from a physician, school nurse, or the child's parent or guardian containing wording such as: "This is to verify that (name of student) had varicella disease (chickenpox) on or about (date) and does not need varicella vaccine." This written statement will be acceptable in place of any and all varicella vaccine doses required.

Exemptions

Texas law allows (a) physicians to write medical exemption statements that the vaccine(s) required would be medically harmful or injurious to the health and well-being of the child or household member, and (b) parents/guardians to choose an exemption from immunization requirements for reasons of conscience, including a religious belief. The law does not allow parents/guardians to elect an exemption simply because of inconvenience (for example, a record is lost or incomplete and it is too much trouble to go to a physician or clinic to correct the problem). Schools should maintain an up-to-date list of students with exemptions, so they may be excluded in times of emergency or epidemic declared by the commissioner of public health.

Instructions for requesting the official exemption affidavit that must be signed by parents/guardians choosing the exemption for reasons of conscience, including a religious belief, can be found at www.ImmunizeTexas.com under "School & Child-Care." The original Exemption Affidavit must be completed and submitted to the school.

For children claiming medical exemptions, a written statement by the physician must be submitted to the school. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.

Provisional Enrollment

All immunizations should be completed by the first date of attendance. The law requires that students be fully vaccinated against the specified diseases. A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate vaccine required by this rule. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school. A school nurse or school administrator shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccination. If, at the end of the 30-day period, a student has not received a subsequent dose of vaccine, the student is not in compliance and the school shall exclude the student from school attendance until the required dose is administered.

Additional guidelines for provisional enrollment of students transferring from one Texas public or private school to another, students who are dependents of active duty military, students in foster care, and students who are homeless can be found in the TAC, Title 25 Health Services, Sections 97.66 and 97.69.

Documentation

Since many types of personal immunization records are in use, any document will be acceptable provided a physician or public health personnel has validated it. Food and Nutrition Services 2017-2018

Visit our website at www.disdfoodandnutrition.com

- **Free & Reduced Meal Applications Online** – will be available August 1 and can be completed very easily using any computer, smartphone or any device with internet access. Public computers are available at all schools, Food and Nutrition Services, and the Education Service Center. Paper applications can be requested.
- **Lunch Money Now (LMN)** – We encourage all parents to set up a LMN reminder at the beginning of the school year. It is a convenient way for parents to receive not only an email but also a text that your student's balance is low or has reached a preset dollar amount. LMN also allows parents to set up recurring payments to your student's account and view account balances. Visa, MasterCard, and PayPal can be used to make deposits on the secure (SSL) site and are available on the student's account within an hour of the transaction. There is a small \$2.50 charge per transaction and multiple students can have money deposited in a single transaction. Parents and guardians who prefer to make their payment in person may do so daily in the cafeteria.
- **Meal Prices** for school lunches will increase slightly for the 2017-2018 school year for elementary and high school students. This is a required increase using the United States Department of Agriculture Equity Tool. All other lunch prices and breakfast meal prices will stay the same.

Breakfast: Paid student prices are:

\$1.00 (grades PK-4) \$1.25 (grades 5-12)

Lunch: Paid student prices are:

\$1.50 (grades PK-4) \$2.00 (grades 5-6)
\$2.25 (grades 7-8) \$2.50 (grades 9-12)

Reduced price students will remain:

\$0.30 (grades PK-12) Breakfast \$0.40 (grades PK-12) Lunch

- **Other Information:** Menus, health and fitness materials, policy and procedures, and much more are available on our food and nutrition website www.disdfoodandnutrition.com.

District Meal Charge Policy:

The meal charge policy must be communicated in writing to all households at the start of each school year and to households transferring to the school during the school year. This charge policy will be included in with the 'letter to households' about the free and reduced meal program.

Student Verbal Reminder Daily: When account balance is negative an automated call and an email will occur and continue until the account is brought to a positive balance. Parent may use Lunch Money Now online or bring cash or check to cashier before 2 p.m.

If FNS has not received payment and the charge amounts to \$15.00 then FNS will send a U.S. Postal letter to the parent to remind them we have been feeding the child in good faith, and that money is owed to the student's account and if the charge exceeds \$25.00 meals will no longer be served. Automated calls will continue. If after being notified by mail and FNS has not received payment and the charge is \$20.00 or more FNS managers will contact their school principal to make contact with the parent.

Dickinson ISD will collect on all unpaid meal charges. The parent/guardian is responsible to repay any charges that have accrued before the end of the school year and for charges made prior to application approval. We will stop taking checks 2 weeks before school is out and allow no charging the last two weeks of school.

- **In-Sufficient Checks:** Checks returned for insufficient funds will not be accepted for future payments and will be charged a fee and assessed to the student account. Cash, money orders or using Lunch Money Now will be the only forms of payment.
