Appeal for Pre-AP/AP/Honors Course Entry

Students who do not meet the criteria to enroll in an advanced course may petition the G/T Advisory Committee on campus to review student information and reevaluate eligibility to enroll in a Pre-AP course. The student is responsible for submitting the appeal form to a teacher who is knowledgeable about his/her ability/ work ethic in the requested subject area. The Committee will also consider previous coursework, previous grades, and STAAR scores when determining an approval of the appeal.

An appeal form is required for each requested course/subject area for which the student does not meet the admission criteria outlined in the Academic Handbook. The appeal form is not applicable for a student who fails the corresponding subject area Pre-AP or on-level class/course in which he/she is currently enrolled or the state assessment associated with the subject.
