**Rachel's Challenge: The Life & Legacy of Rachel Scott**  
**October 20, 2016 at 6:00 p.m.**  
**Barber Middle School Campus**

Dear Barber Parents:

Each day 160,000 students do not go to school for fear of being bullied, teased or harassed. Rachel's Challenge is making a worldwide impact by turning the story of the tragic death of Rachel Scott at Columbine High School into a mission for change.

Rachel's Challenge is a philosophy of life expressed through strategic, relational programs designed to liberate the inner desire to treat others with respect. It was started by Rachel's father Darrell and stepmother Sandy. The program content is based on Rachel's life and writings. Shortly before her death she wrote, "I have this theory that if one person can go out of their way to show compassion, then it will start a chain reaction of the same. People will never know how far a little kindness can go."

Ambassador of Kindness: The Life and Legacy of Rachel Scott is a 49 minute documentary that tells the story of Columbine High School victim Rachel Joy Scott. It briefly touches on the April 20, 1999 tragedy at Columbine High School; then introduces Rachel and how her short life had a profound impact on so many others. **This documentary is recommended for ages 7<sup>th</sup> grade through adult. Some of the content, especially news footage of the Columbine school shootings, may not be appropriate for children under the age of 12. It is critical to understand that what you see in the Ambassador of Kindness video is not the same program your students will see earlier in the day. What your children will see is age appropriate for their grade level.**

We would like to invite you to come to this presentation. The presentation will begin at 6:00 pm and will be held in the cafeteria.

This amazing program is being paid for by AMOCO Federal Credit Union-Tuscan Lakes.

Sincerely,
