Our Summer Drama Camp for kids is a great way for kids of all ages to come and experience theatre in a fun and non competitive way. Students are introduced to all areas of theatre including acting, dancing, singing, set work, and so much more. Most importantly we work hard to create a lasting memory for all campers as well as lasting friendships.

Camp Directors - Laurel Powell & Marisa Hataway - Dickinson High School Theatre Arts Directors

As the high school theatre teacher for the past 20 years, Mrs. Powell was named DISD's secondary teacher of the year for the 2008-2009 school year. Over the past 20 years, Mrs. Powell has won numerous awards with her students in a variety of contests including appearances at the Regional level of the UIL One Act Play contest. Working with DISD all 20 years of her teaching career, she finds joy in seeing students of all ages create and explore through his/her imagination. Mrs. Powell teaches the Advanced Theatre 1 class as well as the upper level acting classes and the production classes at DHS. Laurel has been working with students of all ages in theatre since she started her theatre camps in 1996 while still in college. She believes that theatre is a place where people of all ages can be creative while having fun in a safe and caring environment. She looks forward to this year's AMAZING camp experience.

Mrs. Hataway has been teaching theatre for the past 13 years. Her first four years were spent at Barber Middle School where she directed numerous middle school performances as well as coached the Gator Drama team where students won numerous individual awards. Her past eight years have been at the high school level where she teaches the Theatre Arts 1 courses for the beginning actor, the Musical Theatre classes, and the Technical Theatre classes. This will be her 9th summer involved with the summer camp. She looks forward to another great summer.
