

Lobit Middle School Arrival/Dismissal Procedures

ARRIVAL

The doors open to admit students at 6:50 am. Students should not be dropped off prior to 6:50 am. There is no supervision provided prior to 6:50 am. Please be aware of this as you plan your student's transportation needs.

Breakfast will be served daily, 6:50-7:15, for students choosing to eat at school. Students eating breakfast, will report to the cafeteria. All other students will report to the gym and sit by class, until dismissed for class.

Classes begin at 7:20. Any student arriving after 7:20 is considered tardy and must report to the office for a tardy slip.

We encourage parents to take advantage of the district's bus service. If you must drive your child to school, please follow the procedures below:

- Enter the school drive at the entrance with the Lobit Village sign. This is considered the main entrance for the school. The far entrance is for faculty and buses only.
- Follow the signs to the right. Continue to the right, keeping to the right, following the front loop. We do not double stack the front loop. We keep a lane open in case of an emergency.
- Please pull as far forward as asked to unload students. This will help keep the line moving.

DISMISSAL

Dismissal begins at 2:35 pm. Car riders are picked up in the front of the building. Staff members will call for students to go one of the six loading stations in front of the school, using the car rider card provided (sent home on the first day of school). Please be sure that the car rider card is visible as you pull through the line. Parents will be asked to pull forward to one of the stations where your child will be waiting.
