Hurricane Harvey

We are so glad to have all of our students back at school. We know that each of you were impacted by the storm differently, but please know that we are here to support you as you rebuild. Please fill out the Harvey Survey so we will know what your needs are.

DISD Elementary Bell Schedule

7:50-8:20
Student Arrival
8:20
Learning Begins
8:25
Tardy Bell Rings
3:35
Student Dismissal

Nurse

Any students with food allergies must submit a note from the doctor along with EPI PEN plans if necessary.

Any child requiring asthma or medication of any type at school must have a written doctor's order and/or asthma action plan on file with the nurse.

AM Car Riders

For AM car riders we will have staff on duty outside from 7:50 until 8:20 to welcome students. **Please do not drop your students off prior to 7:50.** We will also have staff on duty inside to ensure that your child gets to his or her class safely after being dropped off in the car rider line. Car riders that plan to eat breakfast need to arrive by 8:10. Any students arriving after 8:20 will need to be checked in at the front office by a parent. Students arriving after 8:25 will be counted tardy, and students that arrive after 10:00 are absent.

PM Car Riders

Please do not start forming the elementary car rider line until 2:55. We are still releasing middle school car riders at that time and need to keep their car rider line clear. We ask that you remain in your cars in the line in order to pick up your car riders. Please remember that car rider signs are mandatory. We know that lines can be long, but this is to improve the efficiency of our line and to ensure the safety of all students. If you do not have a car rider sign, you will need to park, come to the front office, and show your ID. Our dismissal procedures are done in waves so that younger students are safely in their spots for dismissal before we release our older students. You may see younger students outside in the car rider line prior to 3:35, but we will not load cars until that time.

BUSES/DAYCARES/WALKERS ONLY IN THE BACK

Students may also enter the back of the building at 7:50 if they are arriving by bus, daycare van or walking. We will have staff on duty to ensure students get to breakfast and class safely. Visitors will not be permitted through the back doors.

PLEASE NOTE

Dickinson ISD principals will not accept telephone calls from parents changing students' after-school transportation plans. Because telephone callers cannot be identified by school personnel, only signed notes or personal visits from parents/guardians may authorize the school to change a student's after-school transportation. If there is a change please send a note to your child's teacher or be at the school no later than 3:00.

Parent Orientation and Title One Presentation on 9/27—

Come up and meet with your child's teacher to get information on what's happening in their classrooms. Each grade level will give a repeat presentation at 3 different times. Please come to the one that best fits your schedule.
