

# Lobit Middle School

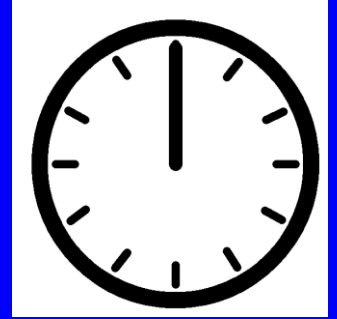

Parent Orientation

September 12, 2019

# 6th Grade Basics:

School Hours: 7:55-3:15

## **Conference Period:**

**Lopez- 8:00-9:30 and Littleton 9:30-11:00**

Each student should have a binder (with dividers: blue, red, yellow, green and purple) and planner that will be used daily. We are an AVID school which stands for Advancement Via Individual Determination.

Graded work to keep at home will be found in the purple divider.

# Websites and Contact

**Email**

**Website**

**[klopez@dickinsonisd.org](mailto:klopez@dickinsonisd.org)**

**[schools.dickinsonisd.org/page/klopez-Home](https://schools.dickinsonisd.org/page/klopez-Home)**

**[clittleton@dickinsonisd.org](mailto:clittleton@dickinsonisd.org)**

**[schools.dickinsonisd.org/page/clittleton-Home](https://schools.dickinsonisd.org/page/clittleton-Home)**

**Go to Dickinsonisd.org and click on the campuses tab. Locate Middle school. Click. From there click on the title of the teacher to access the website. For email purposes click on the teacher name.**

**Please contact the teacher needed to set up a conference during the week and designated planning time.**

# Expectations:

## Raising Expectations

### 6th graders will

- Come to school prepared and ready to learn
- Take responsibility for their actions
- Follow directions the first time they are given
- Respect all school staff members

### 6th graders will also

- Keep an organized binder with a planner to be signed by parent/guardian weekly.
- Turn in work on time, including any homework.

## Consequences:

**If students fail to follow expectations consequences must be enforced:**

- Verbal warning and redirection**
- Note in planner describing situation required parent signature**
- Phone call home**
- Lunch detention with teacher to discuss different choices for behavior the next day**
- Office referral- Principal choice**

# Math:

- Homework will be given on a weekly basis. It may be completed at any time during the week, but is due by Friday.**
- Students will keep a journal (required) that can be used for reference throughout the year. It may be taken home to help with homework but needs to be in class EVERY day.**
- We have started a computation program called Xtramath and the skill building program Prodigy.**
- Tests and upcoming units can be found on teacher website.**

# Science:

- **All students should have an interactive notebook for our class.**
  - We do vocabulary and foldables with taught information inside of the journal.
- **We will cover a variety of topics throughout the year.**
  - Most information will be new so it is important to stay on top of vocabulary.
- **Graded work will be put in the purple section of their binder and may be taken out at home.**
- **Tests are per unit. Generally every 2 weeks.**
- **Please use my teacher website to see what is happening in class.**

# Reading/ELA:

-Typically, homework is not assigned. Due to our 3 hour Humanities block, I do not see a need for homework at the moment. Unfinished work may occasionally be sent home as homework. Please check with your student. They need the following daily:

- Binder with dividers
- 3 composition notebooks
- Make sure your student is reading at home in spare time. Please encourage them to share with our class what they've been reading.
- Students should not take their Reading and Writing notebooks home.

# Social Studies:

- There are no standard homework assignments, but homework will occasionally be assigned.
- Unfinished work will be sent home as homework.
- Students will take a Common Assessment at the end of each unit. Students will have a Big Ideas packet that will be filled out in class as we go. This will be a great tool to use to study for those assessments.
