3 Ways to Purchase Meals

Online. To pay online, have your student's ID number ready, go to www.dickinsonisd.org and click on the "Lunch Money Now" link. This service is an easy and convenient way to deposit money in student account(s), view account balances and recent purchases, and set up e-mail notifications when the balance gets low. Visa, MasterCard, and PayPal can be used to make deposits on the secure (SSL) site. Payments post in about one hour and the service is available 24/7. You may add money to one student's account or multiple student accounts in a single transaction for a small \$2.50 charge.

Check. Make checks payable to DISD Food and Nutrition Services and send/bring the check to the cafeteria. Required on the check are the student name(s) and ID number(s), and if splitting among multiple students, the amount to add to each account.

Cash. Cash may be brought to any cafeteria in the district for deposit to any DISD student account or students may pay with cash on a daily basis.

Applications for Free and Reduced Price Meals are now available online through the "Meal App Now" link provided on www.dickinsonisd.org. Online applications can be completed very easily using any computer with internet access. Public computers are available for use at the Food and Nutrition Services Building (located at 4003 Video Street), Schools, and the ESC Building. Paper Meal Applications available upon request.

School Nutrition Policy: The Texas Department of Agriculture does not regulate what parents send with their child for lunch, but parents are prohibited from providing outside food, drinks, or meals for students other than their own. Students may not share their food with others. In addition, an adult is not allowed to consume all or part of a meal served to a student. For more detailed information, visit www.squaremeals.org or district web page for our district Wellness Policy, Smart Snacks in Schools and other department information.
