

## ***Mrs. Gracia's Dyslexia Intervention Syllabus***

Welcome! I am looking forward to working closely with you this year to ensure your child is successful in junior high and beyond. Please read this syllabus closely with your child, click on the link at the end for the Google Form, and complete the tasks to let me know that you have read and understand what to expect this year.

***Overview/ Curriculum:*** We will incorporate a variety of teaching/learning opportunities including technology to access a digital classroom, self-selected independent reading texts, flashcards, classroom notebooks, and teacher selected guided texts.

***Materials Needed:*** 2-inch binder, headphones or earbuds, and pencils. As your student runs out of materials, they will need to be replaced.

***Procedures & Discipline:*** All discipline for behavior will align with DISD's policy for discipline. Please refer to the [Student Code of Conduct](#) for further information. I will communicate with parents by email and telephone. Good attendance is so important with our dyslexia program. If your child misses school regularly, they will fall behind. Please try to have your student here every day.

Please don't hesitate to contact me with questions or concerns. I can be reached during my conference time from 12:00-12:51. If you call and I can't respond immediately, I will return your call within 24 hours. You can also email me at any time and expect a reply within that day.

Sincerely,  
Shanda Gracia
