

San Leon Elementary Parent/ Student/ Teacher Compact 2025-2026

As members of the Dickinson Independent School District community, we are partners in the education of your children while maintaining the intent of this compact.

As a teacher, I:

- believe that every child can learn;
- respect and value the uniqueness of each child and his/her family; • provide an environment that promotes rigorous and relevant learning; • enforce expectations in the classroom and within the school in a fair and consistent manner;
- assist each child in achieving the Texas Core Knowledge and Skills; collect data from ongoing assessments of each child's academic progress;
- maintain open lines of communication with students and parents; seek ways for parents to participate in school
- demonstrate professional behavior and a positive attitude
- support the parent in developing positive behaviors in children;
- encourage students to apply what he/she learns to his/her life on a daily basis

As a student, I:

- believe that I can learn;
- demonstrate respect for myself, my school and other people;
- do the best I can in my work and behavior;
- work cooperatively with students and staff;
- obey the rules in class and throughout the school;
- come to school prepared to learn

As a parent/guardian, I:

- believe that my child can learn;
- demonstrate respect and support for my child, the staff, and the school; • ensure that my child attends school and arrives on time;
- encourage my child to complete all assignments;
- attend parent-teacher conferences;
- communicate with my child's teacher;
- expect my student to grow as a learner

**The mission of San Leon Elementary School is to develop
ALL students, academically and emotionally, to provide
endless possibilities for their futures.**
