

Dear Silbernagel Families,

I am excited to welcome you to the 2021-2022 school year! We hope that you had a wonderful summer. I am honored to serve as the principal of Silbernagel Elementary and work with our dedicated staff, amazing students, and supportive parents.

The elementary years are critical times of development for students and families and I look forward to working with all of you to make this school year successful. We appreciate your support as your child learns and grows throughout the year. Our teachers have been working hard in preparing their classrooms and instructional plans in order to meet the educational needs of our students.

As we continue to navigate these uncharted waters due to COVID-19, we will continue with many of the procedures established last school year in order to decrease our interaction with the public as much as possible in an effort to keep our students and staff safe. We appreciate your understanding during this time.

Office Hours/Procedures

- **8:00-4:15 Monday – Friday**
- **Visitors are not allowed on campus past the front lobby.**
- **A maximum of four people allowed in front lobby at one time maintaining social distancing. Face coverings are encouraged on campus.**
- A parent/guardian must accompany their student to the lobby when arriving after 8:30.

Morning Schedule- Doors open for students to enter at 8:00 am

- 8:00 – Students enter the building.
- Breakfast will be served in classroom.
- 8:30 – Car rider doors close. Students are considered tardy after 8:30.
- **Please do not park in the back parking lot and walk your student to the front.**

Transportation Changes/Emergency Contacts

- **If you need to change your child(ren) mode of transportation:**
- 1. **One time change** – Please send a note to your child’s teacher or a fax sent to the front office. **(Changes may not be done over the phone or email).**
- 2. **Permanent change** - the parent/guardian will need to come to the school and complete paperwork for permanent change of transportation.

Dismissal

- **Students may not be picked up from the front lobby after 3:40.**
- When needing to check out a student, parents will complete the sign out sheet.
- Only parents/guardians or emergency contacts listed on Skyward can sign students out. A valid photo ID is necessary when checking out your student (no exceptions).
- The office staff will not make phone calls to parents to request permission for another individual to sign your child out.
- Please send a note to your child's teacher if someone other than the parent/guardian or emergency contact is picking up your student. This person will need a valid photo ID to check out your student. **We will allow this one time.**
- Students will remain in the classroom until the parent is present in the front lobby.
- For safety purposes, there is **NOT** a "Walk-up" dismissal option. Students will only be released as bus riders, car riders and walkers. Parents should remain in cars. *(Please note: The car rider line can be long and the wait can be lengthy, we will not be able to make exceptions to the "NO WALK-UP" policy for late appointments or scheduling.)*
- **Car Riders** – Cars must have a car tag (school provided only). If you do not have a car rider tag, you will need to park your car, come into the front office and show a valid ID. The office will issue a temporary car tag at that time. You will need to get back in the car rider line to pick up your student.
- **Walkers** – A staff member will walk students across Kansas Ave. (street located along the back of the building). **Parents/guardians must present a walker sign (school provided only) with their student's name to the staff member every day in order for their student to be released (no exceptions).** If the parent does not have the walker sign, the student will return to school with our staff member. The parent/guardian or emergency contact will need to come to school, present proper identification in order for their student to be released. Students must be documented as a walker in Skyward.
- **Bus Riders** – DISD offers bus transportation to all students in the district. This is a wonderful option to avoid the significant delays of the car rider line.
