

# GATOR BOOK BUDDY

DICKINSON ISD

COMMUNITY  
READING PROGRAM

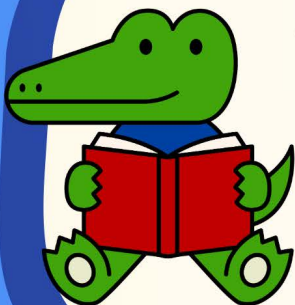

Alumni, parents,  
community  
members welcome!

Read to our Gator  
students! Select a campus  
and time session on our  
form below.

## How it works:

- Volunteers will visit schools on designated days set by our school librarians.
- You'll have the chance to read to students during their library time and engage with them in a fun, educational experience.
