Online Registration for Current Students: August 2- August 10, 2021

Beginning Monday, August 2, 2021, parents of students who are returning to Dickinson ISD for the 2021-2022 school year must complete Online Registration to verify/update their information and submit a current proof of residency. If the student will need to ride a bus, registration must be complete by August 10, 2021. Parents will login to [Skyward Family Access](#) and click Online Registration to complete the process. Parent login information can be obtained by showing proper identification in the Dickinson High School front office. Please make sure you have obtained login information in advance, so you are not delayed in registering your student online. Online Registration is only for students who completed the 2020-2021 school year at a Dickinson ISD school.

You can drop off a copy of proof of residency at the front office (if unable to upload to Skyward) between the hours of 7 a.m. - 3 p.m. Monday-Friday, August 2 -August 10. Please put the name(s) of your student(s) and their grade level for 2021-2022 school year on the document. Proof of Residency includes a current gas, water, electricity bill or lease in the parent's name. Additional forms will be required, possibly including the service of a notary, to complete the registration process in order to validate enrollment if the bill/lease is NOT in parent/guardian's name.

Students not registered by August 10th may not have bus transportation for approximately one (1) week unless there is already a designated stop.

Parking Permits

Parking permits are required for all student vehicles. Students will be assigned a parking space in a designated school parking lot. In order to purchase a parking permit, students must present a valid Texas Driver's License and proof of insurance for the vehicle with the student listed as an authorized driver. Parking spaces are limited and will be sold on a space-available basis. Parking permits must be permanently affixed to the inside of the front windshield on the lower right-hand (passenger) side of the windshield. Parking permits are NOT TRANSFERRABLE to a vehicle other than the one for which the permit was purchased. Any vehicle parked in the school parking lot without a valid parking permit is subject to removal at the owner's expense. Parking permits are \$30 each and will be available for purchase the first week of school and on an as needed basis throughout the school year.
