

Bay Colony Elementary School Parent-Student-Teacher Compact 2026-2027

A compact is a voluntary agreement that outlines how parents, students, and teachers will share the responsibility for improved student academic achievement. It establishes a true partnership to help our children achieve high standards.

As a teacher at Bay Colony Elementary, I will support student learning by:

- Believing every child can learn.
- Providing high-quality curriculum and instruction in a supportive and effective learning environment.
- Holding parent-teacher conferences to discuss individual student achievement and how this compact relates to your child.
- Providing parents with frequent reports on their children's progress through official grading portals and progress reports.
- Being accessible to parents via email, phone, or scheduled conferences to discuss any concerns.
- Providing parents opportunities to volunteer, participate, and observe in their child's classroom when possible.

As a parent/guardian, I will support my child's learning by:

- Ensuring my child attends school regularly, arrives on time, and gets a good night's sleep.
- Establishing a daily routine and a quiet place for homework, studying, and reading.
- Monitoring my child's progress, checking backpacks daily, and reviewing school notices.
- Participating, as appropriate, in decisions relating to my child's education.
- Communicating regularly with my child's teachers and attending school events or conferences.
- Expect my student to grow as a learner.

As a student at Bay Colony Elementary, I will take ownership of my learning by:

- Coming to school every day on time, focused, and ready to learn.
- Putting forth my best effort on all schoolwork and asking for help when I don't understand something.
- Completing and returning all homework assignments on time.
- Following the school and classroom rules, showing respect to my peers, teachers, and school property.
- Bringing home all school notices, progress reports, and graded work to share with my parents/guardians.

The vision of Bay Colony Elementary is to create life-long learners through a positive learning environment that is safe and respectful, celebrates diversity, and promotes social emotional growth for students to reach their highest potential.
