FROM OUR COUNSELOR

This month's focus is Honesty. One way to think about Honesty is "being truthful in what you say and do." Practicing Honesty helps strengthen our relationships and reduce stress. Honesty is 1 of 3 traits we will focus on throughout the year that helps students Be Well. Throughout the school, students will be developing skills like emotion regulation, positive self-talk, and stress-management.

Review Honesty as a family. Honesty is being truthful in what you say and do. Discuss the importance of being Honest and work together to create a family Honesty pledge. Create and decorate a sign together that explains what Honesty means in your family. Have each family member sign the pledge and choose a spot to display it. Refer back to the pledge as a reminder to be Honest and to celebrate when Honesty is practiced!
