Counselor News:

Character Strong, character trait for the month of March:

COOPERATION

is working together
to reach shared goals

This month's focus is Cooperation. One way to think about Cooperation is "working together to reach shared goals." As a family, talk about how this definition applies to how you work together at home. What are some goals you share? Cooperation is 1 of 3 traits we will focus on throughout the year that helps students Be Kind. Throughout the school, students will be developing skills like perspective-taking, conflict resolution, and leadership.

Find a time to sit in a circle together and celebrate all the ways you have seen each other practice Cooperation. Take turns sharing responses to the following prompts or make up your own! Remember to practice Cooperation as you take turns and listen to each other.

Celebration Prompts:

- What family member(s) do you want to celebrate for their Cooperation this month?
- What is 1 way you Cooperated with a friend or family member this week?

Self-Injury Awareness Day – 3/1
School Social Worker Week – 3/2-3/8

Maintenance Worker Appreciation Day – 3/7
