MATH SYLLABUS

Who am I?

My name is Mrs. Smith! This is my 19th year teaching and my 5th year at BMS. I am married and have two sons, 1 is at U of H and my youngest is a junior at Clear Springs. I love going on cruises, hanging with my friends, shopping and colorful erasable pens. Although the Corona Virus has altered things, I'm still so excited to be with you this year! It may be tough at times, but we'll get through

If your child is continuing virtual learning after the 3 weeks he/she will be responsible for going into their google classrooms everyday to take attendance, watch lessons and turn in daily assignments.
