

8th Grade Science

Ms. Andrea Cole

Kranz Junior High School

What We Will Learn

This class will be an activity based integrated science curriculum of components from Physical Science, Life Science, and Earth Science. Opportunities for hands-on activities are provided to facilitate learning experiences.

Make-Up/Late Work

If you are absent you will be given one day per day you missed plus one additional day to turn in missing work. 10 points per day will be deducted for late work with a maximum penalty of 50 points. Any work turned in after the progress reporting period will not be accepted. Missing labs may be made up with an alternative assignment. It is your responsibility to collect any missing assignments.

Supply List

- ✓ AVID Binder (should already be set up)
- ✓ Pen or Pencil

** You will be required to have these items with you every class.*

We will complete the District Lab Safety Contract before performing any labs.

Expectations
