

DHS Cosmetology

Cosmetology is the study of the hair, skin, and nails. This program is a rigorous, fast paced college level course designed to get you state licensed and ready to enter the career industry workforce. The

DHS Cosmetology program has been in place for 25+ years. We have licensed over 500 students! You will learn the foundations, theories, and practicums of cosmetology, as well the Texas Department of Licensing and Regulation (TDLR) rules and regulations.

Skills USA

Career and Technical Student Organization that competes at State & National levels. Earn a letterman jacket

The Cosmetology Program at DHS is part of the CTE department Human Services Career Cluster & the highschool endorsement pathway. This program is 3 years. Upon completion of clocking 1,000 hours, passing state board exams, and receiving your high school diploma you will be a Texas state licensed Cosmetologist.

You can begin a rewarding lucrative career right out of highschool!

- This program does have a cost associated with it. About \$1500 over the 3 years.
- Texas (NOT DISD) DOES require you to have a SS# to apply for your student permit your sophomore year***

Classroom Theory

Learn Texas Cosmetology course curriculum content in fun, innovative and challenging ways in the classroom.

Hands On Lab

Learn hands on practical lab assignments involving: shampooing, haircutting, coloring/highlighting, braiding, styling, manicures & pedicures, makeup, facials, waxing. Take clients by appointment in The Gator Salon.

Industry Internships

Work with professional Texas licensed Cosmetologists in real salon environments to gain knowledge and hands on experience
